

# 10 Really Big Reasons to Use BOXSMART

**#1**  
No baling machine required

**#2**  
Fewer Trees harvested for new boxes

**#3**  
Reduces paper recycling exports to China

**#4**  
Reuse is the purest form of recycling & we provide quality used boxes

**#5**  
We sort & stack neatly on pallets (like new)

50% of all paper collected for recycling is exported.

One tree filters 60 pounds of pollutants each year.

# BOXSMART

**#6**  
Save 43% on average when buying our used boxes

You save 0% with new boxes!

One of our customers was able to purchase new forklifts with the money saved by purchasing used boxes instead of buying new.
